

Product Name Cloud Shaped Ceiling Light

Style Modern

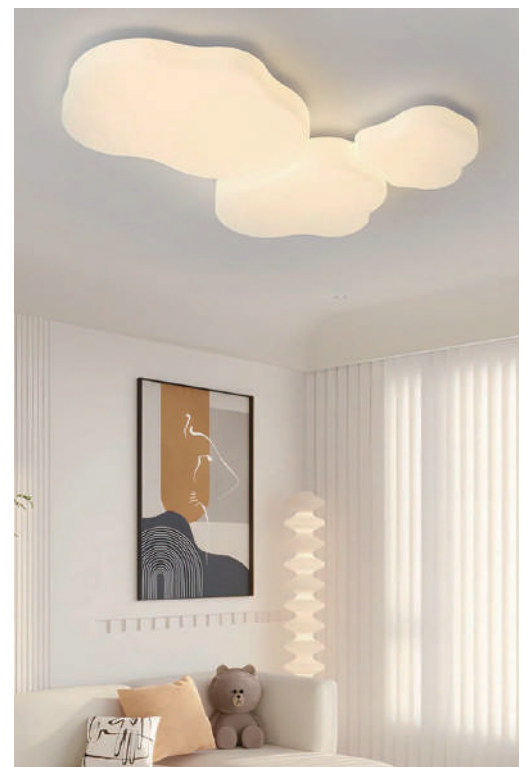

Specification Hardwired

This cloud shaped ceiling light is available in two configurations: single-light and three-light. It features an iron frame and shades made with rotational

molding technology, housing a high-power LED light source that supports three-step dimming (3000K/4500K/6000K).

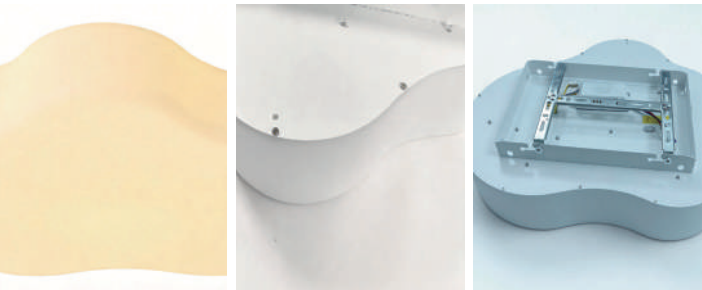

Designed with a three-dimensional cloud form, it adds artistic appeal and versatile lighting to bedrooms, living rooms, and other spaces.
