

Product Name Garden Pole Lamp

Style Modern

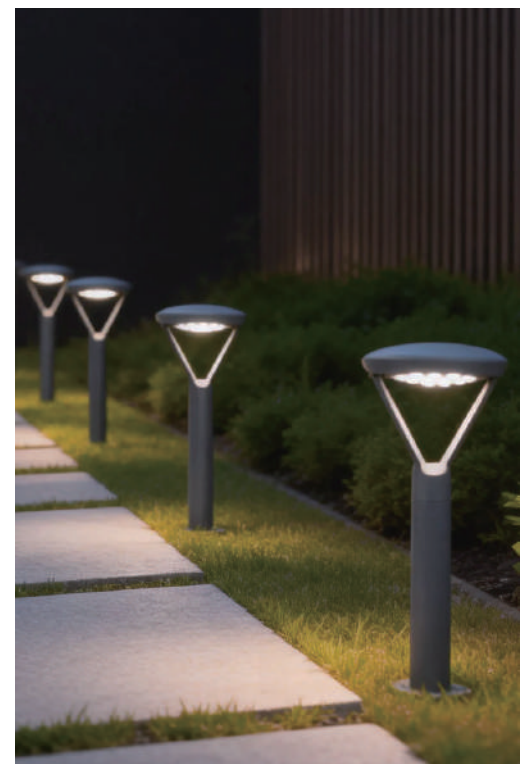

Specification 35.4" / 106.3"

This garden pole lamp features an aluminum body and a PC shade with a smooth gray finish, available in two height options.

It houses an 8000mAh battery and a 5.5V/6.5W solar panel, offers white or warm light color temperatures, and includes dual motion sensors.

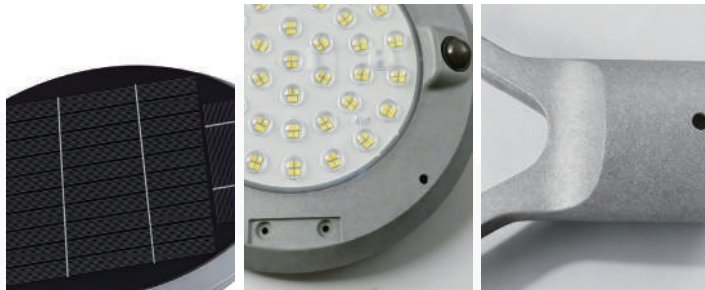

Rated IP55 for water resistance, it provides energy-efficient lighting and security functions through high-efficiency solar conversion and smart sensing for gardens, communities, and other outdoor spaces.
