

Product Name Solar garden pillar lights

Style Modern

Specification 9" / 11"

This solar garden post light features a die-cast aluminum lamp body and acrylic lampshade, available in two sizes to fit gate posts or walls of different dimensions.

It supports two power supply modes: solar power and hardwired connection.

Equipped with a 7W LED light source, it emits soft and evenly distributed 3200K warm white light. With an IP54 waterproof rating, it adapts to all kinds of outdoor weather conditions.
