

Product Name Bollard LED Lights

Style Modern

Specification 12" / 24" / 31"

This LED light fixture is made of die-cast aluminum for durability and stability, effectively resisting corrosion and deformation.

Three height options are available. This lawn light comes in two versions: warm white and cool white.

Equipped with high-efficiency LED chips, it delivers bright and soft illumination.

Powered by a solar system, it efficiently absorbs sunlight during the day and turns on automatically at dusk, providing low-energy lighting for your outdoor space.
