

Product Name Outdoor up down wall light

Style Modern

Specification White / Warm White

This outdoor up down wall light features an aluminum body and glass lampshade, offering four fashionable color options: pure white, white + gold, pure black, and black + gold. It is equipped with a built-in 10W LED light source, providing two color temperature modes: cool white and warm white. With an IP65 comprehensive protection rating, it is suitable for installation in both indoor and outdoor areas such as villa exteriors, balcony railings, corridors, courtyards, or garden walls, delivering safe and reliable decorative lighting for modern spaces.

## · Basic Product Information
