

Product Name Outdoor step lighting led

Style Modern

Specification 10 Ft / 16 Ft / 33 Ft

This LED outdoor step light is encapsulated in silicone with a smooth white finish, allowing free bending and shaping.

It comes in three length specifications and can be cut at marked positions. Equipped with high CRI LEDs, it offers three color temperature options: warm white, cool white and neutral white.

The 24V low-voltage power supply (transformer required) ensures safety and energy efficiency, with an IP65 waterproof rating suitable for outdoor rain and snow environments.
